Thank you Mike!

Mike even emailed Jason to check on the inspection. I appreciate your support and look forward to a smooth handover to Brad. Critical to the success is making sure that inspection readiness binder is kept up to date.

Best of luck on your new role!
Regards,
Michele

Michelle,
I wanted to say that this would not have been as successful as it was if not for the leadership and guidance provided by Mike. He has helped prepare KDC for these events and all the preparation sometimes goes unnoticed. Thanks to Mike for his passion and support to JOM/KDC!!

Subject: RE: DEA at JOM KDC (28-JAN-2014)

The DEA just left. There were no observations.

Closing comments –

- No observations; all good; e- records are really good, easy to ready
- If any changes in structure or security let them know first
 - Ken D. - will add additional cameras out front; will create letter, send to them, await feedback before proceeding
- Should see them again in 2 yrs
